

GT Member Journaling: Personal A.R.T. Work

As you continue your Go Local journey, GT members complete the following reflection sheet and bring it to their meetings for sharing and group reflection.

 *Before you respond, **dwell in the text and sit in silence** for a few minutes.*

1. Where have you seen God at work in your life or neighbourhood this week?
2. From your neighbourhood listening, list some places, things, moments or connections that have caught your attention and/or imagination:
3. What stories, images or conversations illustrate these responses (to Question 2); helping you explain why they caught your attention?
4. Why might the Spirit be drawing these to your attention?
5. Complete one or more of the following sentences.
 -  I have an inkling that...
 -  I wonder if this might be a place where the Spirit is nudging me to...
 -  I've seen these folk in the neighbourhood and would really like to...
 -  For a long time, I've had the sense that I should...
6. What might be some concrete steps that you/we can take to test out this sense of the Spirit's invitation?
7. Pray for your Guiding Team as you seek to listen and discern where God is at work in your neighbourhoods and how you might join the Spirit there.

*Discernment is the practice of discovering where God is at work: Discovering how God is engaging the world; how God wishes to act; and how God wishes **us** to act.*
